HOLY LAND AWAKENING .- Ernest L. Harris, United States Consular Agent at Elbenstock, Germany, has informed the State Department that valuable mineral treasures have recently been discovered in Palestine and that it is safe to say the industrial awakening of the Holy Land is no long-

He says it is true that the greater part of the once flourishing country is a barren desert, the lines of communica-tion are miserable and traffic is uneafe aside from the one railroad from Jaffa to Jerusalem. Mr. Harris says that the to Jerusalem. Mr. Harris says that the newly discovered mineral deposits lie on both sides of the Jordan and the Dead sea. The salt deposits of the Dead sea also could be developed into

an industry.
Mr. Harris considers phosphate the most important of all deposits, and he says the immense fields of that mineral to the east and west of the Jordan need to the east and west of the Jordan need only better means of traffic and com-munication in order to secure their de-velopment. This, it would seem, is not far distant, as the Turkish govern-ment is planning a continuation of the Jaffa-Jerusalem railroad and steambosts are already plying the Dead sea.
